It stated that no cases those others who have important. those others who have jumped into this city. the breach at this time of peril and It is reported here that Dr. Jenkins anxiety. The governor was awake at was heard to say that he intended to all hours of the night devising plans land the Cepheus' passengers today if for the relief of the unfortunate pas-the injunction was stayed, even if he sengers of the Normannia from their had to do so over the corpses of the hazardous position. The best of legal dead. advice was sought by him and A meeting of the cabin passengers on the conclusion was reached that the the Rugia was neld yesterday, at which injunction would not stand. Acting two letters were drawn up protesting the theory the governor ordered a against their treatment. One of the naval reserve of several companies of letters was sent to Emil Boas, agent of Sixty-minth and Seventleths regiments to go to Fire island and quiet pany, and the other to Dr. Jenkins. the troubled spirit which existed Objection is made to the proposed reamong the people on shore, whose heartless action regarding the unfortunate passengers has caused the people among the second cabin passengers of throughout the entire country to shud-

The Injunction Dissoived. This action taken and the troops despatched, the supreme court, general term, King's county, was appealed to dissolve the injunction restraining the landing of the passengers. After argument, pro and con, the court promptly ment, pro and con, the court promptly acceeded to the appeal. The news was at once telegraphed to Fire Island and to those on board the Cephus. It dren huddled together, crying and caused great joy to the anxious ones on the steamboa; and corresponding consternation among the brutal resi-dents of Islep, Babyion and other towns along the shore. The persons who had been "protecting" their rights changed their minds upon the subject in very short order and began leaving Fire Island in small bouts for their mes on the shore. The piteous appeals of the unfortunate passengers could not move these sturdy clam-diggers last night, but when they heard that troops would soon be on the scene they moved from the island in a hurry and soon the place was comparatively described. The health officers and state officials, then began preparations for of the Normannia, but as yet no case the reception of the passengers on reached the quarantined passen-gers that the work of transferring fate. But many of them will suffer for was about to begin they crowded to the It could have been heard for miles around. The band on the Cephus CHOLERA PASSENGER'S DESCRIPTION. struck up "Red, White and Rine," the cheering kept up continuously for Scenes on the Normannia and Stonington five minutes. It was a long roar of dehght. When the shouts were answered the reporters and health officers on the dock it was answered again and been received here by the family of

Dr. Voigt ordered all deputies to go This was the first established quarantime of the day. The natives were not stating the fact, Mrs. Tyson writes: wable. to be removed to a place of safety.

Last night was one of suffering for
the unfortunate people who were imprisoned on the Cepneus. Men paced
the deck all night or reclined upon the bare decks while snatching a few hours praying in the warmest corners to be found, or slept the sleep of exhaustion upon the seats of the excursion boat if lucky enough to secure such points of vantage. Delicate ladies tried to rest upon camp stools or even upon the or, and one and all bitterly bewailed their harsh fate. It was only after the most earnest prayers that the buy men of Long Island allowed some food to be sent to the half-famished passengers whom they condemned to either starve or go back to New York. Cold, hunger and exposure would certainly, it would seem, have developed any cholera germs which might have strayed of that disease has been reported ong them or among the second months, perhaps for years, as a result of their cruel experiences of Fire

Beier, Henry Kauffeld, C. W. Martin. Henry Henker, Edward Schwartz, Louis Langloth, Henry Blain, J. S. Dunsford, Mrs. Lizzie Stemmer.

There were fifty-one passengers on the trader, and it was almost miraculous that more of them were not injured, as the car was almost capsized, and many of its inmates were women dition at his home on Clark avenue, and children. No one in the motor car was hurt.

ROBBERS STILL AT LARGE.

Many Difficulties.

hunt in Tulare and Fresno counties terday, and a large crowd was down after the fugitive train robbers Evans | the river to witness the performance. and Sontag, which cost one man's life at the outset, reached a bloody climax today when three men were today when three men were today wounded by the today when three men were killed and one badly wounded by the desperadoes. It will be remembered that Chris Evans, John Sontag and George Sontag robbed the Southern Pacific train near Col Collis, Fresno county, August 4, and got away with about \$2,500 in gold and silver coin. Three days later the detectives secured clews that led them to Evans' house in Visalia. Though they did not then suspect Evans their evidence pointed to the two Sontags who had just come from Mankato, Minn. George Soning was secured by stratagem, but when the officers went to the house to get his trunk Evans and John Sontag opened fire on them and drove them away, badly wounding Deputy Witty. Then followed one of the most remark able chases on record. The robbers actually returned to their own house late at night and being surprised killed young Occar Reaver, who was on guard. escaped to the mountains and though they have been since at several places there has been no fight with ! them till today. Sheriff Wilson and his men were accompanied by two Apache scouts, who had tracked Evans and Sontag to Samson's flat.

Just as the party arrived in front of Young's door was thrown open and Evans and Sontag appeared with shot guns at their shoulders. They delivered a broadside from both barrels before the officers could draw weapons. Then the bandits seized winchesters and continued to fire into the posse. The Apache scouts jumped behind before the fire began stones and escaped unhurt. At the first and dragged her to the shore, nar-Vic Marshall Shek fire Modesto and Dick Elson fell dend from their saddles riddled with buckshot. Al Witty, a brother of the deputy who was so badly wounded by Evans in Visalia, was severely wounded and the horse of Constable Warren Hill was shot from under him. The news came in by telephone and the operator ead after the killing that Sontag and Evans seized the horses of murdered officers and es-The news of created great excitement here and a large posse left at once for Samson eaded by Sheriffs Hensley and Kay and Dutective Pickey. The people of Samson's flat and vicinity are greatly excited over the murderers and have hand its at sight. With the sid of miners and the sheep herders the fugitives

almost a blank.

LANSING, Sept. 13 .- The state fair exhibit is all in position and is the very best in all departments that the society has ever had. But the fears of this management became a real discouragement at midnight last night when rain large buildings, in operation, employing 300 men. It produces about aix John B. Phelan of Bridgeport was nominated for secretary of state, Marious and Nicho-ously affect the finances of the society. commenced falling and has continued ously affect the finances of the society. las S. Taulb for comptroller, all by ac-clamation. Electors at large, E. C. for a hope that the succeeding days Benedict of Greenwich and E. K. Hul-bard of Middletown. have been made with the railroad companies for excursion frame so far YANKTON, S. D., Sebt. 13.—The secret superior to those of any road in the neeting of the democratic state comweather on Wednesday and Thursday. will insure an attendance that will meet manufactories will close down, giving opportunity for the employee to astend en masse. The bicycling events will also occur upon that day and in addition to the prizes offered on the contests

there are specially attractive events. To sum up the situation, if the bad weather continues the fair will be a dismal failure; but with fine weather for the remaining time it promises a magraficent success.

DRUG DID ITS WORK. A Salesman Tired of Life Takes the

Chloroform Route. KALAMAZOO, Sept. 13 .- A. B. Perry, aged 35 years, a traveling salesman for Studebaker Bros. of South Bend, Ind., was found dead in his room at the A towel still wet with chloroform eve his distorted face and an empty five ounce bottle indicated suicide. A representative of the firm serived in the afternoon and took the body to Niles, where Perry formerly lived and where his widow will meet it. No cause for the deed is known, but Perry was heard to remark the previous evening that a man was better dead than alive. A coroner's jury has not yet re-

turned a verdict.

Shot While Hunting Sparrows. Mr. CLENENS, Sept. Ill.-Charles Bartrow of Clinton township and Herman Behnke of this city, boys 15 and years old respectively, were builting sparrows Sunday. Behnke abot a sparrow which lodged in a tree, Bartrow, climbed up to get the sparrow and while in the tree another sparrow lit above the boy's head. Hebrike shot at the second sparrow and brought down heart. Bartrow was dangerously hurt, but will recover.

Lady Driver Badly Injured. HASTINGS, Sept. 13 .- A few days since

land. Mrs. G. Gooddell was driving a single rig when the horse became fright-Gooddell out upon the tinks, with her head between them and the wheel, where it was terribly torn and lacerated. She also sustained internal injumes, but the doctors say she may possaldy survivo.

Fell Dead.

Jarman, Sept. 13 .- Isanc Jewell. aged 50, a well-known Jackson man sampleyed as a miner at the Black Itia. mond coal mine, five miles out on the Spring Arbor road, dropped dead while at work Monday afternoon. He was Furnso, Cal., Sept. 15.—The sheriff engaged in pushing a coal car in from and posse came up with Soutag and the mine when he widdenly fell back
